

TSS

Trading Standards Specialist

The Source
for Critical Information and Insight™

Trading Standards Specialist (TSS) offers a comprehensive and up to date online database of trading standards legislation. It is an unrivalled online reference source with over 6,000 pieces of legislation supported by additional information from relevant government departments and other appropriate bodies. Functionality includes the ability to cross search LACORS' guidance documents, on the Local Authorities Coordinators of Regulatory Services website.

Benefits at a glance:

- Range of UK and EU legislation documents including key guidance information from a wide range of contributing bodies
- Frequent online updating ensuring access to the most up-to-date information
- Sophisticated search functionality for quick and easy retrieval of key information
- Access to key LACORS documents through cross searching functionality

TSS is the reference source for all UK and EU legislation enforced by Trading Standards Departments throughout the UK. TSS also includes a comprehensive library of supporting information, guidance documents and Codes of Practice from more than 100 government departments and organisations.

TSS can be accessed from the LACORS website at www.lacors.gov.uk and through its TSI interlink: <http://secure.tslinkonline.co.uk>.

Core Selection Criteria

With British Standards now integrated within TSS, the product really becomes a truly encompassing one-stop information source.

The benefits

- Quick and easy searching, the specially designed software makes searching across the extensive database effortless. A unique search engine makes it easy to arrive at the desired document
- Free access to the IHSti helplines
- On-site training as required
- Multiple user licences as required at your location
